- Total** _____

Scores

0-5 Needs Improvement! I encourage you to research water conservation tips and attempt to work one or two new conservation methods monthly.

5-8 Nice Job! Keep up the good work and maybe even add a few tips this week!

9-11 Excellent!!!! You are a water saver and you should help spread the word by giving your tips to friends and family!

For more information, tools and tips on how to conserve water please contact
