

Lee & Vivian Reynolds Greenway Trail

Special Events Guidelines

1. Apply for Special Events Permit with the Town clerk.
2. Obey all park/trail rules and ordinances.
3. Keep the park/trail clean. Leave the park/trail as you find it and remove all trash including silly string.
4. No paint/chalk markings on the paved portion of the trail. Event applicants are responsible for any damages incurred during the event.
5. No interruptions of ASU Intramural Field Games as the Greenway Trail reservations are for the 20' easement portion which includes the paved trail but does not include the ASU Intramural Fields, Watauga County Fields or Watauga High School Property. (Please see map for property distinction.)
6. Respect parking issues as there may be more than one event at the same time. If overflow parking is necessary, permission must be received prior to parking on private property which is the responsibility of the event coordinator.
7. Be courteous to others. The trail remains open to the general public.
8. No running on the Clawson-Burnley Park gravel trail as this is intended for walkers only.
