

Natural Resources and Parks:

- What People Do/Can Do:
 - Plant Native Trees, Shrubs, and Plants: 6
 - Plant a Pollinator Garden: 5
 - Remove Invasive Plants: 3
 - Preserve Existing Trees: 6
- Comments/Suggestions:
 - Remove outdoor lighting or switch to motion sensors to reduce lighting pollution

What People Do/Can Do

Local Food:

- What People Do/Can Do:
 - Purchase Locally Grown Food: 5
 - Grow Your Own Food: 4
 - Eat at Restaurants that Serve Locally Grown Food: 5
 - Purchase Locally Made Food (i.e. Baked and Canned Goods): 3
- Comments/Suggestions
 - Add and expand community gardens

What People Do/Can Do

Waste:

- What People Do/Can Do:
 - Purchase Less Single Use Items: 5
 - Use Reusable Items (i.e. Shopping Bags, Take-Away Containers, etc.): 5
 - If You Must Buy Single Use, Buy Recyclable Products: 5
 - Participate in Road/River Clean-Ups: 5
 - Compost Food Waste: 6
- Comments/Suggestions
 - More options or local repair services
 - Hold local businesses accountable for composting, sustainable waste practices, ban single use plastics/styrofoam

What People Do/Can Do

Water (Quantity and Quality):

- What People Do/Can Do:
 - Reduce Water Usage (i.e. low flow toilets): 0
 - Maintain Healthy Vegetation on Stream Banks: 2
 - Construct Stormwater Detention System: 4
 - Decrease Impervious Surfaces: 3
- Comments/Suggestions:
 - Use/create rain gardens, rain barrels/collections, and stormwater education

What People Do/Can Do

Energy and Buildings:

- What People Do/Can Do:
 - Convert fuel-based devices to electric: 4
 - Enroll in Utility Green Tariff Program: 1
 - Energy Efficiency Upgrades: 6
 - Install Solar: 5
 - Energy Efficient New Construction: 0
- Comments/Suggestions:
 - Reduce phantom energy loss (i.e. unplug chargers when not in use, unplug unused devices, turn off the lights).

What People Do/Can Do

Transportation:

- What People Do/Can Do:
 - AppalCART: 3
 - Walk: 2
 - Bike: 5
 - Carpool: 1
 - Transition to EV or Hybrid: 3
- Comments/Suggestions:
 - Expand AppalCART services (x3)
 - Park and Rides
 - Contact City of Raleigh: Dedicated bike lanes with green striping to keep bikers safe to encourage more biking/walking
 - Slow down traffic, no turn on reds with crosswalk flashing
 - More sidewalks (HWY 105, 421 to bypass, and Farmer's Market)
